

Thank you for choosing Citrus Salon and Day Spa, Inc. for Microblading.

Here is some important aftercare details regarding your Microblading Procedure.

- Wash the brows 3 hours after getting them microbladed with antibacterial soap. Splash with water to rinse, pat dry with paper towel. Let air dry for 5 minutes. Then put ointment on with clean fingers.
- Apply the aftercare ointment given for 3 days with freshly washed hands or a Q-Tip.
- Please wash your face carefully around the eyebrow without getting water on the treated area. During the shower, keep your face away from the showerhead or take a bath.
- DO NOT rub, pick or scratch the treated area. Let any scabbing or dry skin naturally exfoliate off. Picking can cause scarring and pigment loss.
- COMPLETELY avoid direct sun exposure and tanning beds for a minimum of 4 weeks after your procedure. Direct sunlight can cause the pigment to change color while it is healing and can also cause hyper pigmentation and scarring.
- Avoid pool, sauna, steam rooms, hot showers and/or hot baths for 3 weeks.
- Avoid sweating for a full 10 days. Any physical effort, gym, hot weather, any other activity that may cause sweating through or on the brows will expel pigment from the dermis producing poor results.
- Avoid sleeping on your face/brows for the first 10 days.
- Keep your bangs and hair pulled back from your face for the first 10 days.
- NO makeup or skincare products to be used on the treated area for 2 weeks.
- NO facials, chemical treatments and microdermabrasion for 4 weeks.
- NO Botox for 4 weeks. We recommend that it's best to wait until after your touch-up heals to get Botox, as an educated injector will take your new brows into consideration when choosing where to inject.
- After 10 days, once the area has healed completely, consider using sunblock when going out in the sun to stop the color from fading.
- Eyebrow tinting should not be undertaken for 2 weeks after your procedure.
- Avoid Retin-A, chemical peels and microderms around the brow area once healed.

Please let us know if you have any questions.

Thank you.
